

ICLP 2012 Exhibition

The 31th International Conference on Lightning Protection (ICLP 2012) will be held in Vienna, Austria, on September 2nd - September 7th, 2012, and will be hosted jointly by the Austrian Electrotechnical Association (OVE) and the Vienna University of Technology (TU Vienna).

The ICLP 2012 conference continues the tradition of the preceding ICLP conferences, the last ones held in Cagliari, Italy and Uppsala, Sweden. ICLP is traditionally one of the world's largest gatherings of scientists, engineers, consultants, etc. working in the area of lightning research, lightning testing and lightning protection. For exhibitors ICLP 2012 offers a unique platform to present their products and services to the international lightning community.
